Dear Member,

BSBMT PRIZE ABSTRACT PRESENTATION

**5th Annual BSBMT Scientific Meeting
Institute of Physics, 76 Portland Place, London
Thursday 15 May 2008**

Abstracts are invited from U.K based transplant clinicians or scientists for oral presentation at the BSBMT Scientific Meeting on 15th May 2008.

Five to six abstracts will be chosen for oral presentation at the Scientific Meeting and the presenter of the best abstract will be awarded a prize for £1,000. The abstract may relate to clinical or scientific aspects of stem cell transplantation and should include a title, names and affiliations of authors and a contact address. The body of the abstract should be no more than 300 words long. The first author (and presenter of the abstract) must have made a significant contribution to the contents of the abstract and be under the age of 40.

Abstracts should be submitted by email as a Word document to Dr. Ronjon Chakraverty: email address r.chakraverty@medsch.ucl.ac.uk by Friday 18th April 2008.

Yours sincerely

David Marks
